Project Information

VTa's BART Silicon Valley Phase II Extension (Phase II Project) is a six-mile, four-station extension of BART from Berryessa / North San José Station (opened 2020) through downtown San José to the City of Santa Clara. The Phase II Project is planned to include an approx. five-mile subway, three stations with underground platforms (28th Street/ Little Portugal, Downtown San José, and Diridon), one ground-level station (Santa Clara), a train maintenance and storage facility, and additional facilities.

Roadway Safety Tips

- Maintain a safe following distance
- Plan your trip ahead
- Slow down and follow posted speed limits
- Be aware of your surroundings
- Pay attention to safety signs
