

## Building Demolition and Clean-Up

55 N. 13th Street, San Jose, CA 95112

**As early as Wednesday, August 20 – Friday, September 5, 2025  
from 7 a.m. – 4 p.m.**

### Construction Activities

- Demolition of burned building and clean-up work will occur within the property limits to remove the building from the property.
- Construction fencing will be installed to secure the property during the demolition work activities.
- Work equipment includes the use of an excavator for the building demolition, water truck for dust control, and a dump truck trailer for material collection and removal.

### What to Expect

- Work will take place Monday through Friday from 7 a.m. - 4 p.m.
- Some construction noise may be experienced. Noise and vibration monitoring will take place during demolition.
- Work activities will have no direct impact to public roadways.
- No weekend work will be scheduled. Crews will not work on the Labor Day holiday on September 1, 2025.

**Sign up for construction updates at [www.vtabart.org](http://www.vtabart.org)**

*Demolition will occur near the corner of E. Santa Clara and 13th Street.*

### Project Information

VTA's BART Silicon Valley Phase II Extension (Phase II Project) is a six-mile, four-station extension of BART from Berryessa / North San José Station (opened 2020) through downtown San José to the City of Santa Clara. The Phase II Project is planned to include an approximately five-mile subway, three stations with underground platforms (28th Street/Little Portugal, Downtown San José, and Diridon), one ground-level station (Santa Clara), a train yard and maintenance facility, and additional facilities.

### Roadway Safety Tips

- Maintain a safe following distance.
- Plan your trip ahead.
- Slow down and follow posted speed limits.
- Be aware of your surroundings.
- Pay attention to safety signs.
