Construction is beginning to restore and improve the Therma and A&F properties with new parking lots, drainage, utilities, lighting, fencing, landscaping, sidewalks, and pavement improvements.

What to Expect

- Construction equipment and trucks entering and exiting the work area.
- Temporary noise, dust, and vibration.
- Temporary lane, sidewalk, or driveway impacts.
- Traffic control, signage, and flaggers as needed.
- Construction fencing around active work areas.

Project Information

VTA's BART Silicon Valley Phase II Extension (Phase II Project) is a six-mile, four-station extension of BART from Berryessa / North San José Station (opened 2020) through downtown San José to the City of Santa Clara. The Phase II Project is planned to include an approx. five-mile subway, three stations with underground platforms (28th Street/ Little Portugal, Downtown San José, and Diridon), one ground-level station (Santa Clara), a train maintenance and storage facility, and additional facilities.
